

6) Do you think the evidence is strong enough to claim that the Ivory-billed Woodpecker has been rediscovered? Why or why not?

7) Imagine you were in a swampy forest and thought you saw or heard an Ivory-billed Woodpecker. Write down a checklist of the kinds of evidence you would need to document if you wanted other people to believe you.

8) Where would you go (other than Arkansas) to look for more Ivory-billed Woodpeckers? Why?

9) What should we do to protect the surviving Ivory-billed Woodpeckers and encourage their population to increase?
